

ST. MARY'S SCHOOL Referral Program

We invite all current St. Mary's School families to help support our enrollment growth by referring your family and friends to join St. Mary's School.

Personal recommendations and sharing your positive school experiences with the community is the best form of marketing. We are excited to announce the New Student Referral Incentive Program to recognize and honor the excellent work our families do with word-of-mouth referrals resulting in a new family joining St. Mary's School. We encourage you to partner with us and receive a \$1000 incentive, redeemable through tuition credit

Refer a new family to
St. Mary's School
and receive
\$1000!

Here's how it works:

The Student Referral Incentive Program awards a referring St. Mary's School family with a \$1000 tuition credit for each new family that enrolls in and attends St. Mary's School for grades Ps3 - 8.

Referring family:

- An eligible referring family has a child enrolled in St. Mary's School during the same school year as the new family.
- The tuition credit will be awarded only during the new family's first year at St. Mary's School.
- Only one referring family can claim the incentive for a new referral family.
- Referred students must be enrolled at the beginning of the school year for the referring family to receive the full tuition credit.
 - If a referred student begins mid-year, the tuition credit will be prorated.
- The referral incentive is per new family, not based on the number of children enrolled.
- The principal must receive a referral form before the reward distribution.
 - If more than one family submits a referral form, the tuition credit will be awarded to the first family who submitted the form.
- Families who pay by automatic withdrawal will receive a credit to their account.
- Families who pay their tuition in full before the school year begins will receive an incentive award check.
- The Student Referral Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the principal.

New Family:

- A family that is new to St. Mary's School with at least one student in grades Preschool - 8 in the crediting year.
- Younger siblings of current or past St. Mary's School families do not qualify.
- A "New Family" does not currently have a preschool-8 student enrolled in St. Mary's School.

Incentive:

- Tuition Credit: The \$1000 incentive can be applied to the referring family's tuition account to reduce tuition in the same academic year the new family's child/ren is enrolled in.
- Tuition credits will be processed for verified applications in mid-September after the official enrollment reporting date or the bill following the new family's enrollment.
- Only one referring family can claim the incentive for a new referral family.
- The referral incentive is per new family, not based on the number of children enrolled.
- REFERRAL FORMS are linked [HERE](#), at www.slstm.org, or in the school office.
